# JESSICA JONES

Jessica Jones, a former costumed super hero, is now the owner and sole employee of Alias Investigations--a small private investigative firm.

Not long ago, the nefarious Purple Man used his persuasive powers to destroy Jessica's life. Jessica was eventually able to overcome his control and defeat him, and he was taken into S.H.I.E.L.D. custody.

But after the rise and fall of the Hydra Empire, S.H.I.E.L.D. no longer exists--and according to former S.H.I.E.L.D. director Maria Hill, no one knows where Purple Man is...and no one is looking.
