CROWN  
New York

# 40,000 YEARS AGO...

Lucy and Andy are a Neanderthal sister and brother. Along with their human friends, they started an adventure club!

Bye, Mom! We're going to meet everyone at the club boulder.

Unfortunately, sometimes Lucy and Andy's parents think their adventures should be in their cave!

Kids, get back here!  
You need to clean  
up this mess!

What, Mom? We can't hear  
you, must be the acoustics  
of the cave, okay, love you,  
bye!
