

PLEASE,  
TELL ME THAT  
IS NOT...

**SKULL  
ISLAND.**

WHAT IS THAT PLACE?

SKULL ISLAND IS A NAME THE STORYTELLERS ONLY WHISPER.

A PLACE SUPPOSEDLY FILLED WITH MONSTERS.

BUT THE ACCOUNTS CAME FROM MEN WHO WERE WOUNDED AND FEVERISH.

THEN WE STEER CLEAR. FIND DIFFERENT GRAZING?

NO. THOSE WERE... NIGHTMARES OF DYING MEN.

THEIR TALES WERE DEEMED CREDIBLE ENOUGH FOR THE STORYTELLERS.

OUR UNDERSTANDING EVOLVES, CAPTAIN. BUT THE OLD ACCOUNTS DO NOT. THOSE MEN THOUGHT THE SUN WAS ONE GOD, AND THE MOON ANOTHER.

OUR KONG ARE HUNGRY. I NEED LAND. AND TAGU DO NOT BOW TO SUPERSTITION OR--

DARK GODS--!?

THEY SPOTTED US!

COMING TOO FAST.

EVERYONE-- GET THE KONG AND PREPARE FOR--

FEW PEOPLE  
SURVIVED OUR  
TRAGIC FIRST  
CONTACT WITH  
SKULL ISLAND  
AND SURVIVED  
TO TELL THEIR  
TALE.
